

About The Conference:

The International conference RESD- 2018 provides an excellent international forum for assimilation and dissemination of knowledge from research in the area of renewable energy and their applications in business, academic, industry and other allied areas. The primary objective of this international conference is to bring together scientists, researchers, engineers from academia and industry. The forum will provide an international platform to exchange and share their knowledge, experiences, technological developments and researches in current trends.

About The Institute:

Maharana Pratap College of Technology, Gwalior, a premier Institute of the region established in 1996 was founded by Pratap Vahini Samaj Kalyan Sansthan. All the Courses are approved by AICTE, New Delhi, and Govt. of M.P., Bhopal and is affiliated to Rajiv Gandhi Proud yogiki Vishwavidyalaya, (University of Technology of M. P.), Bhopal. The institute is having on an average 50-60% merit positions in all branches in the university examination every year. It draws its strength from its up to date facilities and highly qualified faculty. The MPCT students placed in India and abroad represents its quality education.

Call for Papers Tracks:

- Original Contributions are solicited on topics covered under broad areas such as
- ❖ Wind Energy

❖ Solar Energy

❖ Photovoltaic technology conversion

❖ Biomass and its conversion

- ❖ Bio-energy and Bio-fuels

❖ Sustainable development

❖ Waste to energy

❖ Green energy and economy

❖ Water/ Ocean energy

❖ Water pollution and water quality control

❖ Energy Efficiency

❖ Energy Security

❖ Geothermal Energy

❖ Hydrogen Energy and fuel cell technology applications

❖ Advanced materials for energy generation and transmission

❖ Energy recycling systems

❖ Renewable Energy Sources

❖ Green vehicles

❖ Emerging technology

❖ Air pollution

❖ Climate change

❖ Global warming

❖ Ecosystems assessment

❖ Air quality assessment

❖ Energy policy, planning and management

❖ Energy conversion

❖ Hybrid energy system

❖ Energy recycling systems

❖ Energy conservation

❖ Socio-economics and policy issues

❖ Any other relevant topics

Guidelines for the submission of papers:

The papers will be accepted only by electronic submission. Full paper is to be written in IEEE format Authors should send their paper through email to mpct.conference@gmail.com on or before 23 Sep 2018. The selected participants will be informed by email on or before 07 Oct. 2018.The registration forms will be mailed to the selected authors after the acceptance of their papers.

Registration Details:

At least one author of each accepted paper must

register for the conference. The registration fee details:

Name of the Bank : Punjab National Bank, Naya Bazar, Gwalior IFSC CODE :PUNB0029000
A/c No. 0290002100051105

Students : INR 1800 / 75USD

Academia/Corporate Members : INR 2500/100USD

Important Dates:

Submission of full length Paper : 01/10/2018
Last Date of Registration : 07/10/2018
